

### **English**

Our English this half term will focus on stories that have a repeated pattern. We will explore different stories that have a repeated pattern such as We're going on a bear hunt and Little Rabbit Foo Foo. We will explore what a repeated pattern is and retell these stories in our own way. We will also be creating our own stories that include a repeated pattern. We will also be exploring poetry this half term. We will be looking at a range of different styles of poems based on the theme Christmas. We will identify rhymes within the poems and learn some by heart to perform.

### **Mathematics**

Throughout this half term, we will be focusing on Addition and Subtraction. We will be looking at different ways of adding and subtraction including number bonds and using concrete resources to help. We will also be exploring shape. We will look at properties of 2D and 3D shapes. We will also begin to sort these shapes based on their properties.

### **Science**

Materials - We will be learning all about our materials and their uses. We will look at the properties of different materials and sort them based on their properties. We will begin to explore what materials are used for. We will explore these properties through different experiments.

### **Outdoor Learning inc. Forest School & Visits**

Weekly forest school sessions will link and embed all curriculum learning.

### **PSHRE**

We will be focussing on 'Celebrating Differences.' Our learning will be centred around who we are and how we are different but similar to others. We will also explore bullying and this can make people feel.

### **PE & Physical Activity**

For PE we will be focussing on 'Ball Skills' We will be developing our skills such as throwing and catching within a range of ball games such as basketball.

## **Autumn 2 – Learning Plan**

### **Bright Sparks 2**

### **Humanities**

This half term our topic is 'The Great Fire of London' We will be exploring how the great fire started. We will focus on the differences between the past and present. We will begin looking at chronological order and begin sequencing events.

### **Other Curriculum Areas**

*These subjects will centre around and embed learning within our 'Great Fire of London' topic.*

### **Computing**

Online Safety – We will begin looking at online safety and begin to explore how we can keep safe when online.

### **RE**

Christianity – We will be exploring the religion Christianity. We will explore the Christmas story. We will look at the meaning of gifts and explore the gifts baby Jesus received.

### **Art & Design**

Great Fire of London - We will begin looking at paper craft, we will look at making 3D pictures from paper. We will then start to explore famous paintings from the Great Fire of London and recreate them.

### **Music**

Dance, Sing and Play The children will find the pulse, march in time with the pulse, be an animal that finds the pulse, clap rhythms and copy them back. We will begin to learn songs sing them as a class and look at different instruments.
