

The A Team Update – Sensory Walk Designs

Hi everyone,

Just a quick update following our recent meeting. We all came together to review and discuss the new **Sensory Walk** designs. The children were really engaged and gave positive feedback. They liked the designs and agreed that they would be helpful in supporting the sensory needs of some children in our school. Please see the potential designs below:

It was great to see such thoughtful input from everyone involved. A big thank you to those who attended:

- Mr Kelleher
- Mrs Livesey
- Georgie
- Oscar
- Kobie
- Seth
- Kyran
- Isaiah

Our next meeting will be **a week on Monday – 20th October**. In that session, we'll be turning our attention to **our next big project**, so please come with ideas and enthusiasm!

Looking forward to seeing you all then.

Mr Kelleher
