Week 8 – Persuasion  
Week 9 – Persuasion  
Week 10 – Persuasion  
Week 11 – Persuasion  
Week 12 - Persuasion

## Mathematics

Year 4 Objectives – Multiplication & Division and Perimeter using the White Rose Scheme  
  
Year 5 Objectives – Multiplication & Division and Fractions

## Science

**Sound** – In this unit students explore how sound is made, travels and changes. They investigate vibrations, pitch and volume, learning how sounds move through different materials, using practical experiments to deepen understanding.

## Forest School

The children will be exploring a range of activities in Forest School. Topics that we are learning throughout the term will be incorporated into each session. Free play and the exploration of the outdoor environment is encouraged allowing the children to fully express themselves. Core Forest School skills will be developed such as tool making, fire building and the handling of plants/forest equipment.

## PSHRE

In our ‘**Dreams and Goals**’ unit will explore dreams and goals by learning about challenges, perseverance and goal setting. They will discuss overcoming obstacles, seeking help and understanding different jobs, while developing strategies to achieve personal and shared goals.

## PE & Physical Activity

‘**Gymnastics**’ is our unit this half term focussing on balance, flexibility, strength and coordination through controlled movements, sequences and apparatus skills.

## Spring 1 - Learning Plan

### Snapdragons

## Computing

### Coding & Programming

Students learn to design, write and debug programs using sequences, repetition and variables, developing logical thinking and problem-solving skills through practical coding projects.

## Art & Design

Our ‘**The Art of Food**’ Art unit focuses on exploring artistic roles across cultures, develop ideas through observation and experiment with drawing, painting and 3D techniques. They will practice adding detail, creating textures, mixing colours and constructing simple models. Evaluation and annotation will support reflection and improvement of their creative work.

## MFL

This half term some of the topics covered will be learning basic Spanish communication by continuing practising greetings, food, hobbies through songs, games and role play to build confidence in everyday conversational skills.
